

To our visitors and guests,

Some employees are wearing jeans today in recognition of Denim Day, an international event to raise awareness and support survivors of sexual abuse.

Denim Day is held annually in honor of a woman who was forcibly raped by her driving instructor. The woman pressed charges, but the case was dismissed because the chief judge decided that, "... because the victim wore very, very tight jeans, she had to help him remove them, and by removing the jeans it was no longer rape, but consensual sex."

Funds raised through this campaign support services for sexual assault survivors throughout the Milwaukee community.
